

Impulse® 6 - White

OVERVIEW

An excellent indoor/outdoor mini 2-way speaker system that is perfect for any application from foreground music to speech reinforcement. The Impulse® 6 has a hi-fi sound character with great clarity which is ideal for background music systems in bars, taverns, arenas, lounges, arcades or anywhere multi-channel, multi-speaker sound systems are required. This speaker utilizes a specially designed 5 1/4 inch woofer and a 1 inch soft dome tweeter that will provide up to 100 dB SPL and handle up to 200 watts peak. Its trapezoidal high impact polypropylene cabinet is nearly indestructible. A perforated aluminum grille protects the weather-resistant drivers. With six threaded inserts and optional mounting hardware, this speaker can be wall or ceiling mounted, flown or used in arrays. It is available in black (with a black grille) or white (with a white grille).
