

PV 1015 Enclosure

OVERVIEW

The PV® 1015 is a full range two-way speaker system utilizing a 15" premium woofer and a RX14™ titanium diaphragm dynamic compression driver for the highs. This high performance driver is mounted on a Peavey® asymmetric Quadratic Throat Waveguide™, with smooth, even response, low distortion and good high frequency dispersion. This horn has an asymmetrical vertical polar response, aiming the main energy lobe down 10°, so it is aimed at the audience, instead of over their heads. This helps reduce ceiling reflections for greater clarity and gain before feedback. The constant directivity characteristics provide the even coverage needed for a successful sound reinforcement application. The lightweight, yet rugged, carpet-covered trapezoidal enclosure with stand mount cup facilitates portable use for live music or speech sound reinforcement, as well as music playback. A full-length, black powder coated perforated steel grille provides driver protection, and a professional appearance. The crossover network includes tweeter protection, and driver EQ, for clear punchy sound, and good long term reliability. Two 1/4" phone jacks are connected in parallel for flexible wiring options.

FEATURES

- Two-way sound reinforcement enclosure
- Peavey exclusive, premium woofers with 2.375" voice coil
- Tweeter protection circuit
- RX14™ titanium diaphragm compression driver, 1.4" diameter
- 100° x 50° Quadratic Throat Waveguide™ technology
- 400 W program/800 W peak power handling
- Heavy-duty full-length perforated steel grille
- Steel corners
- Heavy-duty crossover network with EQ
- Rugged dado and rabbet construction plus internal braces for lightweight yet strong cabinet
- T-nut speaker mounting, not just screws
- Stand adapter
- Smooth round steel handles
- Two 1/4" phone jacks in parallel
- Asymmetrical horn directs the sound down to the audience
- Weight Unpacked: 54.01 lb(24.5 kg)

- Weight Packed: 58.42 lb(26.5 kg)
- Width Packed: 22.125"(56.1975 cm)
- Height Packed: 30.375"(77.1525 cm)
- Depth Packed: 20.5"(52.07 cm)
